BROWS & LASHES

PATCH TEST

A patch test is required for all Eye / Brow Treatments at least 48 hours before your appointment, this takes five minutes.

LVL LASH LIFT(+TINT)

An LVL treatment enhances your natural lashes by adding length, volume, and lift. It creates a beautiful wide-eyed appearance, brightening and lifting your entire face. This treatment can last for up to six weeks. Treatment is one hour.

BROW LAMINATION (+TINT)

Brow lamination offers a voluminous, fluffy eyebrow appearance. If you aim to balance uneven brows or manage unruly hairs, the brow lamination treatment is ideal. This corrective procedure assists in attaining your desired brow shape for approximately six weeks. Treatment is one hour.
